COE Physical Education

**Core PE – Summer Curriculum Overview**  
During the summer term, students will take part in a variety of outdoor sports including Cricket, Rounders, Athletics, Tennis and Softball. The focus is on encouraging all students to be active, develop confidence and enjoy participating in physical activity.  
What students will learn:

**Tactics and Strategies:**  
Understanding how to make effective decisions in game situations, use space wisely, anticipate play and work with teammates to gain an advantage.

**Teamwork and Individual Performance:**  
Students will take on different roles within a team, build communication skills and support each other, while also developing confidence to perform independently.

**Benefits of Physical Activity:**  
Lessons will reinforce the importance of regular exercise for physical, mental and social wellbeing, helping students understand how being active contributes to a healthy lifestyle.

Music

AOS 1,2,3,4 Revision of all set works
